

## Maps

Have you wondered how far the Airman's Run is from the Reception Center and Coin Ceremony? There is an overhead shot (from Google Maps) below that should give you an idea.

The images below are the maps we have to help y'all plan for the BMT Grad Weekend experience. There are images of the Valley High and Luke Gates as well as all of Lackland AFB and the 1604 loop.

[You can also view these images and more on FB.](#)
