

TRS DG (Discussion Groups)

Friends, you can find lots of new friends who will quickly become part of your awesome AFWM family in our TRS DG's!! If there's anyone that needs some PS&E {Positive Support & Encouragement} then the TRS DG's are the place to be!!

One of the coolest things about AFWM is our closed discussion groups (on Facebook). Are you ready to get connected? Here's how:

1. Every week, [on our Facebook page](#), we post a comment with an image (The image says "ATTENTION, AFWM RECRUITS - SHOUT OUT YOUR TRS/FLT!!!)
2. READ the information in the post and follow the directions!
3. No really. **READ** the information in the post and follow the directions! {{{HUGS}}}
4. We'll set up the new DG's based on your comments to the post.
5. The current DG links are on the Facebook page linked below.

Here are the rules:

1. Visit the Facebook page linked below, find YOUR TRS & FLT and visit that page.
2. Once on the page for your FLT, look in the upper right click request to join. (Yes, you have to have a Facebook account to join a DG.)
3. Once you do that an admin will typically approve you within about 48 hours. Please be patient...we screen the requests to ensure that MTI's etc. are not requesting to join.
4. We are all volunteers and many of us work jobs outside of our homes so we do the best we can to get y'all connected.
5. If you have any concerns within your group just message one of the admins listed for your group. They are there to help and guide you on your journey.
6. Have fun!!!
