

## Shirts & Merchandise

Something that many people have done for their Airman is to have a shirt made to support them as they run in the Airman's Run. While most choose to wear their shirts on Thursday for the Airman's Run and Coin Ceremony, shirts can also be worn to the Graduation Parade as well as throughout the weekend.

Your airman's flight most likely had flight shirts made (with their TRS/FLT logo) that can be purchased at a store in the mini mall on base. The back of the shirt included all the Airmen's last names in the flight, the leaders, and a cool AF logo! If you didn't have any special shirts made for graduation, extras are printed in all sorts of sizes, for families able to purchase them. They are about \$23 each. Once they run out though they are gone.

Each TRS has a different shirt color for the Airman's Run. Over the past year we've seen the shirt color change so if wearing a shirt the same color as your Airman is very important to you please understand the only way to verify what the correct color is would be to ask your Airman. We are not informed of if and when a shirt color may change.
